

# How to make..... Mystery Flowers

- Go out in the garden and look at the different shapes and colours of the plants and their leaves and flowers.
- Pick flowers from the garden, press them till they are dry, stick them on.
- Paint or draw your own stalks and leaves.
- Use paint and a plastic fork as a stamp.
- Try using some stamps made out of vegetables and see what shapes you make - the end of celery makes a tulip shape...
- Make hand print flowers.
- Use patty pans to make flowers.
- Cut up old magazines and make flower petals
- Cut up old wrapping paper and create collage flowers.
- Use material scraps to make flowers.
