## Beaded Worm Puppets

Make the King of Composting! Worms play an important part in our ecosystem so lets have some fun making one of these cute, squirmy worm puppets.

## Textural Wool Painting

Using wool as your 'paint' you can arrange it into shapes and patterns. Twist and layer the yarn to create texture. Let strands extend beyond your frame for a flowing effect. You could even use the wool to form words. The sticky canvas makes this a great activity for all ages.

## Spring Nature Mobiles

Celebrate the beginning of spring by adding colour and different elements to one of these spinning nature mobiles. Feathers, leaves, flowers... feel free to bring along some items found in your garden.
