

# JUST IMAGINE!

NGV

Have you ever looked up at the clouds and thought the shapes look like animals or people, or perhaps you've seen a face form in your dinner?

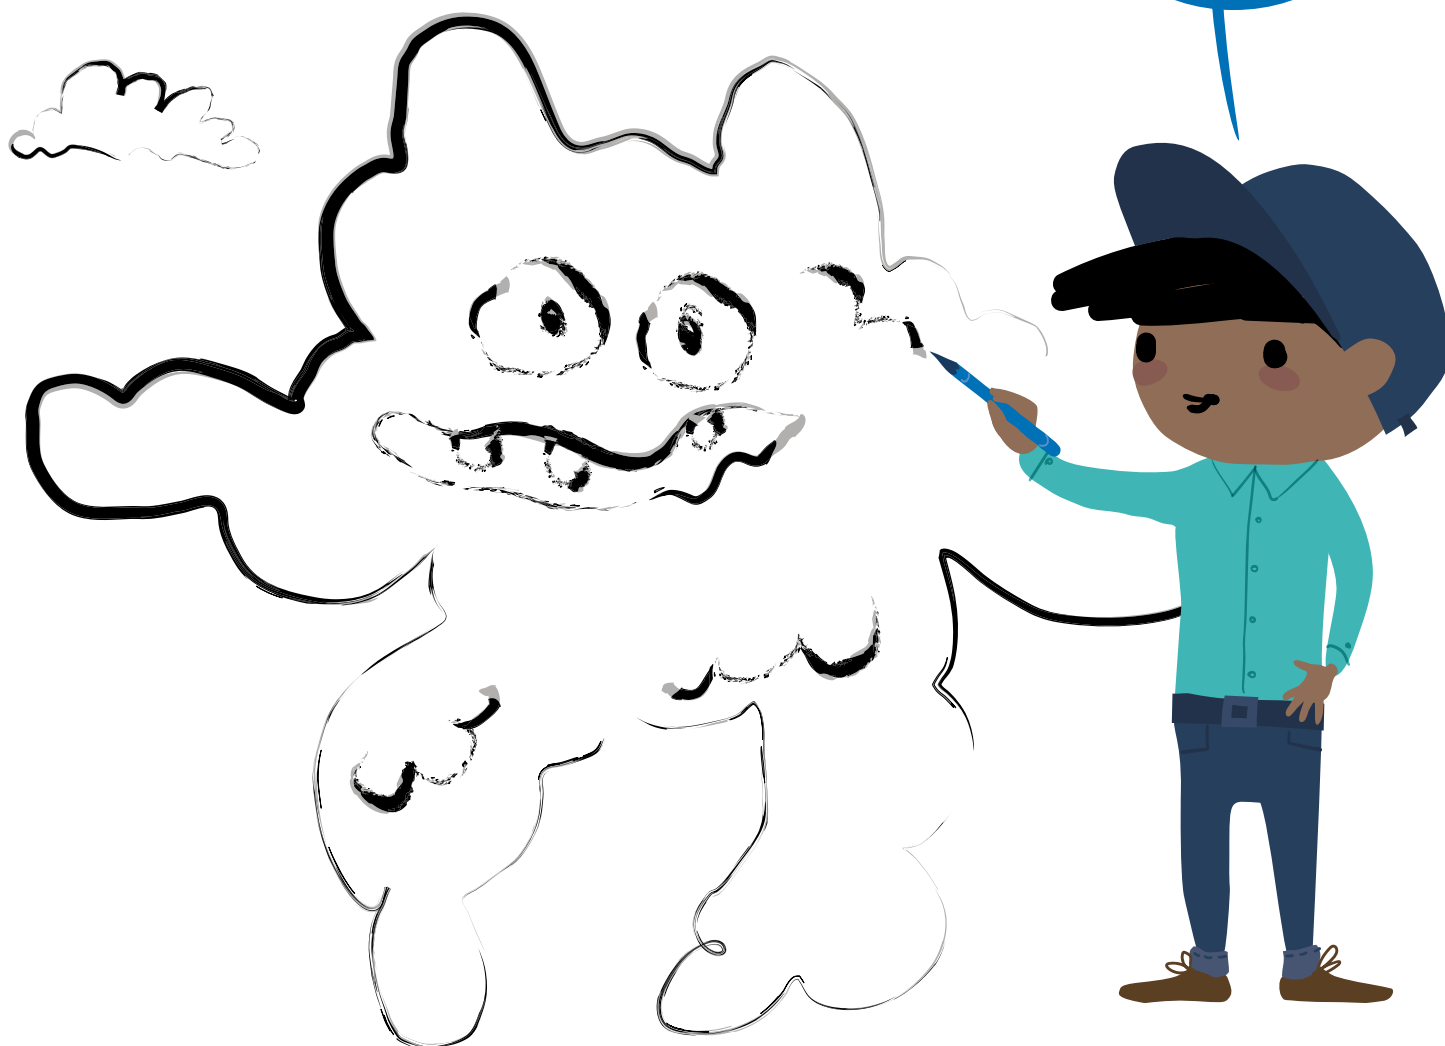

Look at the **squiggles** and **ink splatters** on the next pages ...

what do you imagine they could be a part of or become?

Perhaps the beginning of a face, a car, a dog or anything at all!

**It's entirely up to you and your imagination.**

Grab a pencil  
and let's go!

## ACTIVITY

Play this drawing game with your family. Each person draws a quick squiggle on a piece of paper and gives it to the person next to them to complete. **Have fun seeing what everyone creates with your squiggles!**
